Bring your grandkids or neighbor kids!!
Lots of fun crafts, songs, Bible lessons and science activities.

When I came to Clarkston United Methodist Church almost three years ago, one of my goals was to ensure that the church continued to have an impact on the neighborhood around us and on the city of Clarkston. I say “continued,” because one of the first things I learned about this congregation is that you all are incredibly generous and have huge hearts. The best part is that you all serve humbly, not caring about recognition, but instead wanting to fulfill the mission God has for you here in the L-C Valley. And even though none of you serve to get recognition, something exciting happened at the end of May: Clarkston UMC was recognized by the Asotin County Youth Commission at their 16th Annual Youth Awards Night! Along with four other organizations, Clarkston UMC was honored as an organization that has an impact on the youth of Asotin County. The person who nominated us pointed to your work with Highland Elementary, your ongoing donations to the Asotin County Food-bank, and several other items. John Manis and I were there to receive both a certificate from the Youth Commission AND a Senatorial Certificate of Recognition from Washington Senator Kathy McMorris Rodgers. You all are so deserving! Keep up the fantastic works of service!

Twinlow Sunday—July 30, 2017

This month the last Sunday is designated as Twinlow Sunday. There will be log cabins available for you to place an offering specifically for Twinlow. When you give to Twinlow, you help provide children with a fun, safe, environment to learn about God and His creation.
